

THE UNIVERSITY OF  
GEORGIA'S BLOCK AND  
BRIDLE CLUB PRESENTS

**SPONSORSHIP  
GUIDE 2024  
THE GREAT SOUTHLAND  
STAMPEDE RODEO**

Dear Potential Sponsor,

On behalf of the Great Southland Stampede Rodeo (GSSR), we would like to invite you to take part in a tradition that is forty-nine years in the making. On March 14, 15, 16 2024, The University of Georgia's Block and Bridle Club will host the 49th Annual Great Southland Stampede Rodeo, an event executed entirely by college students. The GSSR has made some monumental leaps in the past couple of years, raising its stature in the community and in the rodeo industry. For the past several years, the GSSR has been recognized on the national level at the International Professional Rodeo Association (IPRA) Finals, where it received several awards for Indoor Rodeo of the Year. Our organization recently decided to change sanctions to the National Cowboy Pro Rodeo Association (NCPRA) from the International Professional Rodeo Association (IPRA) to ensure the highest quality experience for attendees. Each year features an ever-increasing turnout, with a full house each night and over 350 cowboys and cowgirls in competition. We strive to set our standard of excellence even higher and motivate our organization to reach new heights.

The Great Southland Stampede Rodeo would not be successful without the gracious support of businesses and families in our surrounding communities. With the support of our generous sponsors, we are able to give charitable donations to local 4-H and FFA chapters, Athens Regional Women's Health Clinic, and the VA Medical Center. In addition to our donations, we host a Special Events Rodeo for over 1,300 elementary school children. Our primary goal, through this event, is to promote the importance of agriculture and the role that it plays in developing values of hard work and dedication. With your help, we can continue to expand our rodeo and the positive impact that it has on the community. We take great pride in knowing that this age-old tradition brings families and friends together in fun and fellowship. The most rewarding part of The Great Southland Stampede Rodeo is not the praise or the profit, but the happiness that we see across each person's face as they fill seats in our arena. Knowing that we have made a positive impact makes all of our hard work and dedication worth the time that we invest. In addition to the joy that this event brings to each of our committee members, it also provides us with invaluable experience in leadership, business etiquette, and in the agricultural industry. With your help, we can continue to build the impact that we are able to have on our university and community. We hope that you will take part in this tradition of good old-fashioned hard work.

Within our sponsorship guide, you will find information regarding your sponsorship opportunities and the benefits that come with each contribution. We will do everything in our power to ensure that you are satisfied with your investment in our event. With that being said, we welcome you with open arms to become an integral part of our rodeo family. The future of the GSSR is bright and we hope that you will join us in making the 49th Annual Great Southland Stampede Rodeo the best one yet! Welcome to our rodeo family, and as always, go dawgs!

Sincerely,

Grayson Kirby Rodeo Chairman  
Alyssa Ashurst Rodeo Co-Chairman  
Whitney Chapman Sponsorship Chairman
